

## City Prepares New Budget

Budget for the coming fiscal year for the City of Bay St. Louis appears in this week's issue of the Sea Coast Echo.

Commenting on the budget, the Mayor and Commission Council issued the following statement:

"The taxpayers of Bay St. Louis will better understand and get a clearer picture of our City Budget with an explanation and discussion of some of the more pertinent features of the budget."

"The millage levy for the Fiscal Year 1955-56 is distributed as follows:

General and General Improvement Fund	11 1/2 mills
Municipal Separate School District Fund	17 mills
Municipal Bond Sinking Fund	33 mills
Separate School District Bond Sinking Fund	2 mills
School Note Liquidation Fund	1 mill
Parks and Playgrounds Fund	1 mill
TOTAL TAX LEVY 1955-56	35 mills

"The city tax levy has been 35 mills since 1951. The levy for the present fiscal year is still 35 mills in spite of the fact that the cost of operating all departments of our City Government has increased tremendously during this period, particularly the cost of operating our City Public School System."

"The City School Budget for 1954-55 provided for an increase of \$10,000 over the previous year. The 1955-56 School Budget was increased \$12,000 over last year's budget. These additional costs of operating and maintaining our school system have been provided WITH NO INCREASE IN THE TOTAL AD VALOREM TAX LEVY OF OUR CITY."

"The maintaining our ad valorem tax levy at 35 mills during this period has been made possible not by any special powers of expropriation or otherwise, but by three rather simple facts. The first two of these facts concern additional revenues which the city is now

obtaining from sources other than the local ad valorem or property tax; namely, the city Sales Tax (inaugurated last year), and the State Municipal Aid bill which was put into operation this year.

"The third fact, and certainly not the least important, is that your City Administration has been operating within its budget, on a sound business-like basis, meeting all of its obligations promptly and endeavoring conscientiously to get 100 cents value for every tax dollar spent."

## Negro Playgrounds Project Underway

A new playground for Negro children is getting underway. Mrs. Theo Tudury, chairman of the Parks and Playgrounds Commission said this week.

The playground will adjoin Valena C. Jones School.

Mr. Tudury said present plans include three more playgrounds for colored children. She added that anyone having a vacant lot or piece of property that would be used as a playground should contact Mayor John Scaffide of the Commission Council.

## Yellow Cans For City Litterbugs

A plea of "don't be a litterbug" was sounded by the Bay-Walton Garden Club last week when the organization placed numerous yellow cans stencilled with the familiar litterbug slogan.

"We can't lose a bad habit over night, but we do hope in time everyone will think twice before throwing candy, cigarette wrappers, paper cups and other trash on the streets, and instead make use of the trash cans," said Mrs. Waldo Otis, president of the garden club.

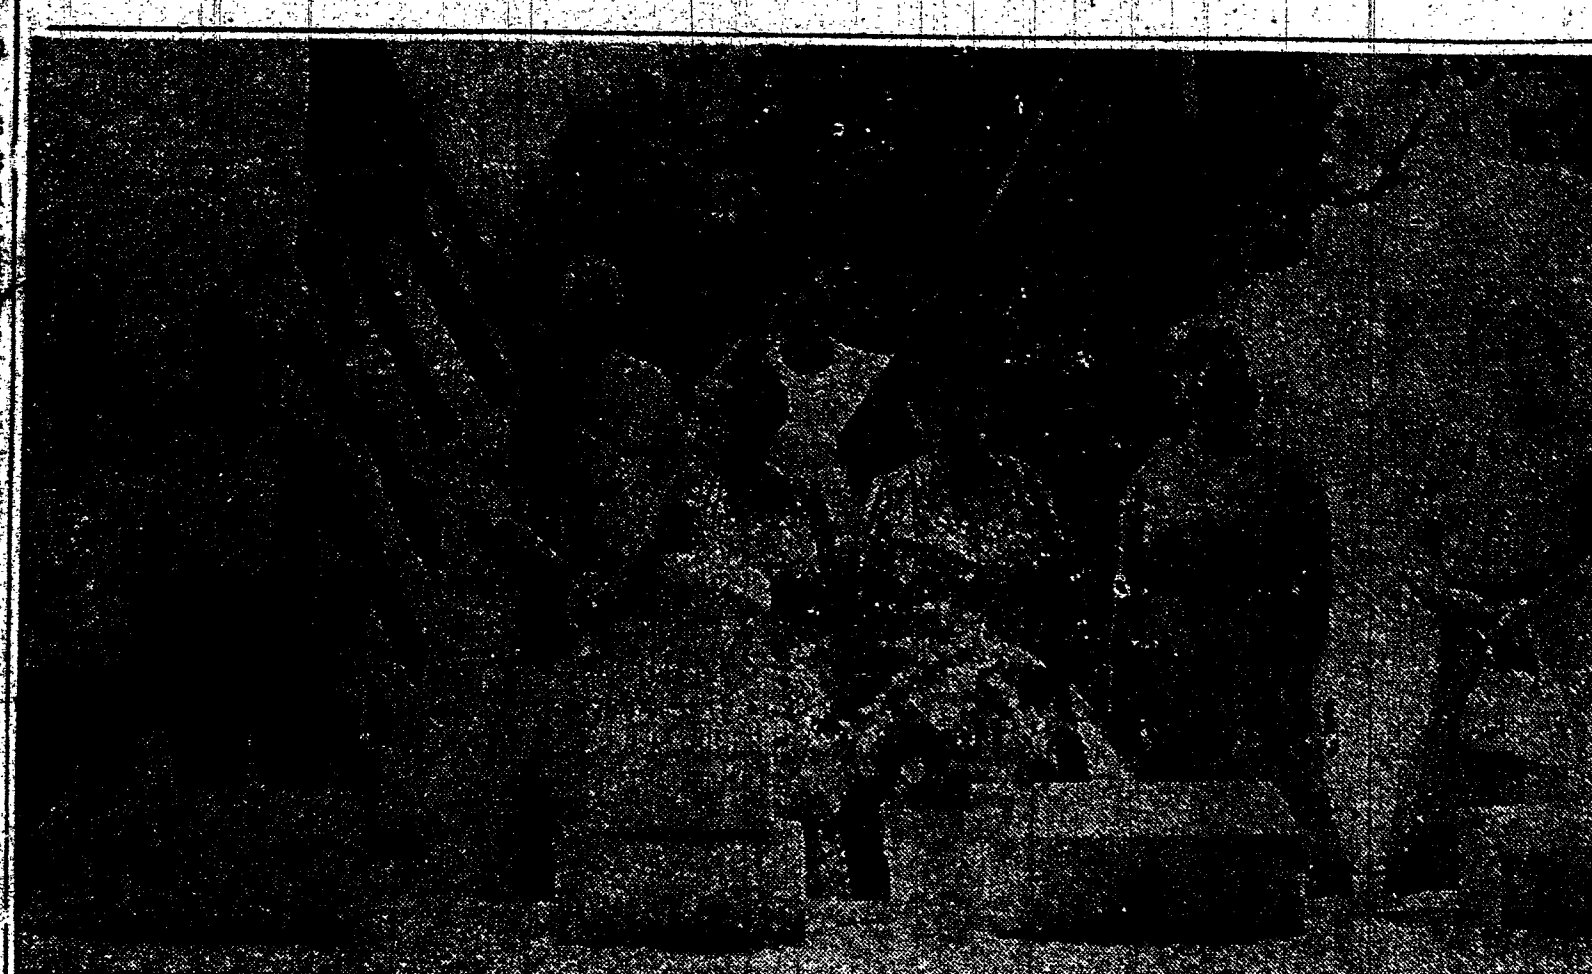

Mrs. Otis added that the BWGC also requests all housewives

to provide well fitted lids for garbage containers, saying it is most important for the health of the city.

"Bay St. Louis was a city of flowers this spring," said Mrs. Otis, "and the garden club wishes to congratulate the owners of the beautiful yards."

**BAY YOUTH CENTER TO OPEN WED-SAT NIGHTS**  
Summer opening times for the Bay St. Louis Youth Center have been announced for Wednesday and Saturday nights. Both nights the club will open at 7:30 and will close at midnight.

## CITY DADS PLAN \$50,000 STREET IMPROVEMENTS

Bay St. Louis Commission Council this week declared intentions to issue \$50,000 in bonds for the purpose of repairing and hard surfacing 21 streets.

The bond issue will be authorized at a meeting of the Mayor and Commissioners July 2 unless 20 per cent of the city's qualified voters file a written protest with the city clerk before that date.

Should such a protest be filed, an election will then be set.

The bond issue was declared because no funds are available in the city treasury for the proposed street repair.

The bond issue is to be paid out of revenue received from city sales tax, with no additional taxes levied, the council said.

According to Mayor John Scaffide, the present bonded indebtedness of the city is \$47,000, approximately 14 per cent of the total assessed valuation.

Mayor Scaffide pointed out that this represents one of the lowest total bonded indebtedness of any city in Mississippi.

Streets to be improved are Railroad Ave. (from Washington Ave. to city limits); Ramona St.; Carroll Ave. (from Dunbar to Hwy 90); State St. (from Toulon St. to city limits); Hancock Ave. (Dunbar to city limits); St. George St.; Webster St.; Leopold St.; Sycamore St. (from old highway 90 to city limits); Canon Lane; Easy Street; Felicite St. (Dunbar to city limits); Ruella St.; Thomas St. (Dunbar to city limits); Austin Lane; Citizen St. (Old Spanish Trail to city limits); Kellar St.;

Booker to St. Francis; Watts St.; Union St. (from Necaise Ave. to Marti); McDonald's Lane; Julia St. (Dunbar to city limits); and Carroll Ave. (resurfacing from North Beach Blvd to Dunbar Ave.)

## THEFT-WAVE CONTINUES AS FIFTH HOME UNDER CONSTRUCTION IS HIT

Thieves Friday night stripped two more homes under construction of plumbing fixtures, bringing to five the total of similar thefts. Sheriff Sylvan Ladner said this week.

Homes under construction on Bayou LaCroix by Alvin Kingston and Sam Guagliardo were entered and toilets, tanks and lavatories removed. A house being built on the bayou by Earl Garcia also was entered, but only an army shirt was taken.

The sheriff said thieves have been operating in both Hancock and Pearl River Counties, entering homes under construction and removing plumbing equipment. He said their method of operation was always the same—toilet, sinks, lavatories and similar fixtures were carefully removed and carried away. He said as a rule very little damage was done to the residences, with the fixtures being removed from walls and floors without marring the tile or linoleum.

The burglaries were investigated by Sheriff Ladner, Constable Herman Mazarakis and Gerald Favre.

Sheriff Ladner said two 1956 30-horsepower motors were taken from a boat belonging to August Rauxet, Jr. and anchored at the Yacht Club. He said someone Tuesday night had taken the motors and gas tanks

and had set the boat adrift. The sheriff, who investigated, said he had lifted several fingerprints from the boat.

The boat of Dr. H. A. Eldridge also was entered at the Yacht Club last weekend, and two rods and two reels stolen. Deputy Sheriff Sam Peterson is investigating the theft.

## Cedar Point Church Plans Revival Week

A revival meeting at Cedar Point Missionary Church, Felicite St., is scheduled Monday through Friday of next week. Services will commence at 7:00 each evening.

Bringing the message during the revival will be the Rev. Grover Laird, Temple Missionary Baptist Church, Laurel.

The Rev. C. A. Ball, of Ellisville, is pastor of the local church.

Larry Mauffray, a student at Mississippi Southern in Hattiesburg, is at home with his parents, Mr. and Mrs. Alden Mauffray. Mrs. Mauffray is spending a few days in Mobile with relatives.

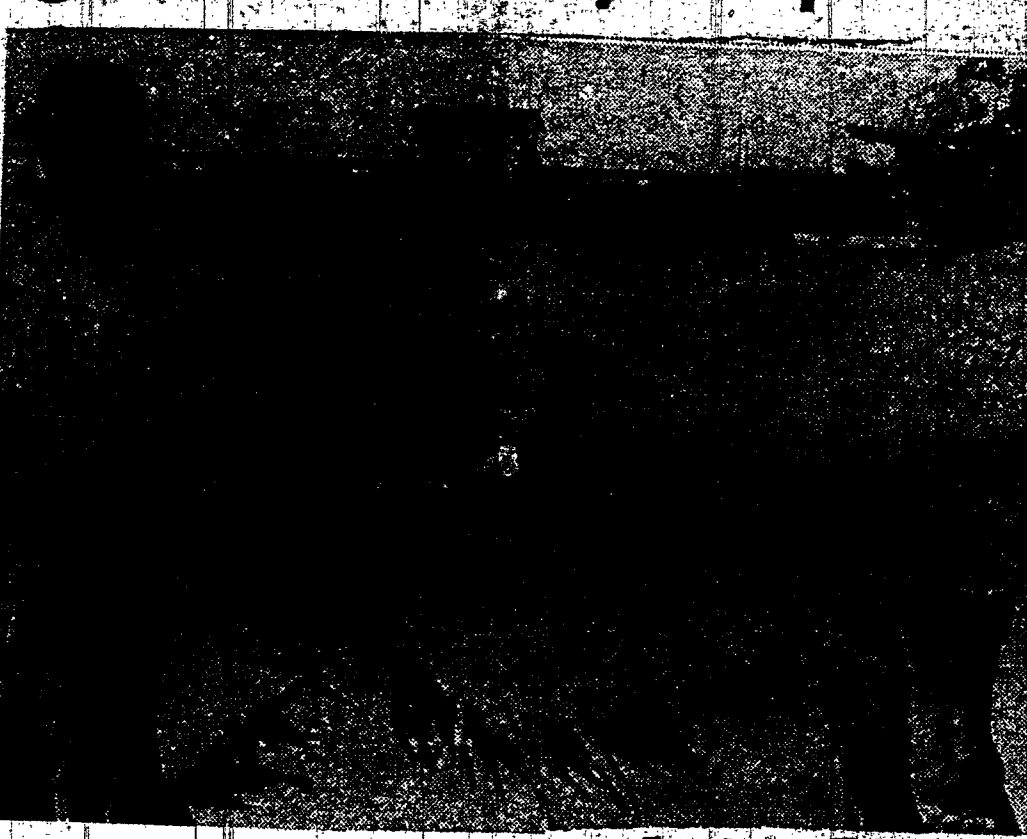

## Local Fishing Good Say Experts

Dusty and Monte Rhodes played the roles of Tom Sawyer and Huckleberry Finn Monday and Tuesday as with the old time pole and bait they "cleaned" up the Municipal pier area with a large catch of croakers.

Shown in the photo, Dusty, 10, and Monte, 7, nabbed 98 croakers Monday from the Union Ave. wharf and the following day they returned with friends Pat and Mike McGinty, also ages 10 and 7, respectively and caught 215 more croakers. The secret, says Dusty, is to use a good old cane pole and plenty of shrimp.

Charles Benigno, Leroy Nash and Dannie Tudury reported a dandy catch while fishing over the weekend.

Theo Tudury, Cotton Blaise and Tony Pitale also reported a nice catch of specks last

week end. However, John Rutherford, Jr., Lucien Kidd, Bert Estapa, Buck Butcher, Al Vetter, Jim Pfeiffer, Fred Wilson, Bob Givens and Red Renicker, who fished at Half Moon Saturday afternoon, Saturday night and Sunday morning, reported "mighty sorry" luck.

## 50 DEMOCRATIC DELEGATES WILL VOTE IN GENERAL ASSEMBLY TUE.

Fifty delegates from Hancock county's 25 precincts will meet Tuesday morning at the Court House in a general assembly to name delegates to the state Democratic primary in Jackson, July 16.

In a Tuesday election, precinct delegates were named from the polling boxes through the county's five beats.

A new Democratic Executive Committee will be selected this Tuesday at the court house to serve for the coming four years, according to Lamar Otis, DEC secretary.

Hancock county will have two votes in the state convention. A rundown of the delegates from the precincts are:

Beat One—Ansley: Ed Ladner and Jules LaFrance; Pearlman, H. G. Davis and E. G. Kelly; Logtown, Austin Baxter and Lamar Otis; Napoleon, Cliff Dawsey and C. E. Lowe; Gainsville, Tommy Patch and Van Loveless.

Beat Two—Aaron Academy, Tom Thigpen and H. W. Kellar; Flat Top, E. G. Eckles and Forest Wheat.

Beat Three—Crane Creek, Hilton Shaw and Horatio Harriel; Standard, Clarence Litz and Wilton Ladner; Deaux, Chester Ladner and Hubert Deaux.

## Eight Mishaps In Hancock Last Month

Eight accidents with one injury and one fatality were recorded in Hancock County during the month of May. Property damage was estimated at \$2,940, according to the State Highway Patrol District 8 office.

Five fatalities and 17 personal injuries with damages of \$18,245 were attributed to 41 accidents last month in the coastal counties comprising the district.

Harrison county had 22 accidents, 9 injuries and three fatalities, and \$9,255 in property damages.

Pearl River county had 6 accidents, 4 injuries, 1 fatality and \$4,250 in damages.

Jackson, Stone and George counties had five accidents, 2 injuries and \$2,350 in property damages.

Beat Four — Kiln, William Henley and Adam Haas; Fen-Tuesday morning at the Court House in a general assembly to name delegates to the state Democratic primary in Jackson, July 16.

Beat Five — Lakeshore, Ed Green and Lionel Bordages; Clermont Harbor, names unavailable; Waveland, Cornelius Heriboy and Joe Colson; Arlington, John J. Fayard and Joseph Vidari; Edwardsville, Leon Favre and Jesse Favre; North Bay, Capt. Charles Traub and Ed Laroux; Central School Box, Howard Le Tissier and David McDonald; Court House Box, Douglas Bourgeois and D. E. Martin; City Hall, Sam Peterson and Carl Arnold; South Bay, W. J. Phillips and John Egloff.

## Breath's Boats Open New Store On Highway 90

Breath's Boats and Motors, celebrating their 30th year of service with the opening of their new store on Hwy. 90 one block west of Main St., have announced the winners of opening-weekend prizes as:

Mrs. Sylvester Benigno, \$100 merchandise prize; Ben C. Moore, \$50 merchandise prize; Mrs. Lawrence Jacob, \$25 merchandise prize; and six awards of quarters of paint to Ivy Mae McDonald, Roy Ainsworth (Jackson), George Armstrong (Pass Christian), Marvin Carpenter (Pass Christian), A. B. Patterson (New Orleans) and Darling Stegna (Gulfport).

The oldest Johnson motor dealer in Mississippi, Breath's also features Lyman boats and Moran skiffs, Regal Cruisers, Moran Runabouts, Stamas boats, and Wolsey paints and a full line of marine hardware.

**SAILING CLASSES SLATED FOR BAY BOYS AND GIRLS**  
Bay-Walton Yacht Club will begin sailing classes Saturday morning at 9 o'clock for boys and girls 10 years old and over.

Among expert sailors who will donate their time as teachers will be Bill Gordon, Robert Boh, Jack Gordon, Ed Heath and Glenn Cowand.

## Rehearsals For 'Rainmaker' Now Are Underway

Rehearsals for "The Rainmaker" have reached fever heat at the Little Theatre and the play gives promise of being one of the most delightful that our talented amateurs have ever produced. Barbara Quigley, as Lizzie Curry, the girl that no man has ever paid any attention to, does as fine an acting job as many of the stars of stage and screen, and George Kelly, Raymond Clifton and Phil Allison as her father and brothers are also just about professional in everything but name and membership in Actors Equity. Bill Argus has an amazing vitality and understanding which give tremendous conviction to his role of Bill Starbuck, the Rainmaker, the mountebank, the charlatan, the idealist, the poet. And the minor roles are excellently played by Don Caldwell and C. D. Blair.

The story of the Rainmaker is appealing in its warmth and simplicity. It is riotously funny in spots and touchingly tender in others. It is a play to please all tastes for there is something in it for everybody.

The Rainmaker is under the direction of Marie Louise Blair and Katherine Wilson has designed the set. Performances will be on the 14th, 15th and 16th of June and tickets will be sold at the door to non-members of the Little Theatre.

## CLARA BARTON ARRIVAL AND RESCUE WORK WDSU-TV FEATURE Plan Bible Week

This week's Sunday Supplement program on WDSU-TV, scheduled for 5:00-5:30 P.M. on June 10, will feature one of the most unusual remote pickups the station has ever undertaken.

Television cameras will be on hand Sunday to cover the arrival of Clara Barton by stern-wheel steamer from St. Louis. Miss Barton is scheduled to disembark at the U. S. Corps of Engineers landing on the batture and, upon arrival, will immediately take charge of Red Cross rescue operations. Supplement reporter, John Kent, will be on hand when the steamer, "MATTIE BELLE" lands, to interview Miss Barton concerning her plans for aiding survivors of the disastrous Mississippi floods.

WDSU-TV has staged this "You Are There" type of remote telecast to celebrate the 40th anniversary of the New Orleans chapter. Two dozen costumed actors will participate in the re-enactment, with Evelyn Hendrickson portraying the role of Clara Barton. The Corps of Engineers has loaned the station the "Robert Newton," only old-time paddle steamer still active on the lower Mississippi. The scene which will be re-enacted took place in 1884, in the wake of one of the most disastrous floods in the history of New Orleans and the lower Mississippi Valley. Clara Barton took charge of disaster relief and under her guidance, the Red Cross helped save the lives of innumerable citizens of this area.

To complete this special Red Cross anniversary program, Sunday Supplement presents a city-wide survey of the hundreds of Red Cross activities which benefit local persons.

## Girl Scouts To Attend Camp

Mrs. V. J. Piazza, 401 Citizen St. will accept registrations for Day Camp between the hours of 3-5 p.m. Monday through Saturday. Day Camp begins July 9 for two weeks, but girls are urged to register now. Camp fee will be \$6.00 for Scouts and \$12.00 for non-Scouts.

Typhoid shots are also necessary for Camp, and Dr. Slapp, in the Court House Bldg., will administer the shots on Saturday mornings between the hours of 9-12 a.m.

## Library Meet Set

Annual meeting of the City-County Memorial Library will be held Monday, June 11 at 4:00 p.m. at the library on Court St.

Election of new board members will be held. Persons who purchased tickets to the annual book review series are eligible to vote and are urged to attend the meeting.

## Baptist Church Plan Bible Week

The annual Vacation Bible School of the 1st Baptist Church will be held Monday June 11 thru Friday June 15 from 8:00 to 11:00 A.M. Superintendent of the school is Mrs. Schuyler Batson with the following ladies serving as Superintendents of their various age groups:

Mrs. Laverne Pailman, Nursery ages 1-2; Mrs. Sidney Ball, Nursery ages 3-4; Mrs. Leo Parker, Beginner, ages 4-5; Mrs. James Fillingame, Primary, ages 6-8; Mrs. Ken Whitfield, Junior ages 9-12.

Each department will have helpers and teachers taken from the faculty of the Baptist Sunday School and Training Union.

Vacation Bible School is for all children who are interested in knowing more about the Bible—who are interested in spending a week of wholesome and Christian directed activity.

## Benefit Dance

A benefit dance is scheduled tomorrow night for the Waveland Volunteer Fire Department at the Top Hat Club, Coleman Ave.

Fallo's orchestra will provide the music at the dance, which begins at 9 o'clock and will last until 2 o'clock.

Miss Harriet Ward, left, and Miss Roberta Williams try out one of the new showers that have just been installed at the city beach by the Parks and Playgrounds Commission. Other recent improvements at the beach include fresh drinking water at four locations.

A new sign has been erected over the municipal garage, and work is under way to provide lighting on the pier, according to Mrs. Theo Tudury, Parks and Playgrounds chairman.

## Mrs. Kellar, Alsobrook To Vie In Beat Two Runoff

Ninety-two per cent of Beat Two's 232 registered voters Saturday named Mrs. Frank Kellar and Elmer Alsobrook to vie in a runoff election June 16 for board of supervisor members from the Beat.

The special election was held

to fill the vacancy created when Frank Kellar was killed in a hunting accident in Hancock county March 15.

Ballots of the 250 voting were cast in two precincts, Aaron Academy and Flat Top.

Kellar's widow polled 53 votes to lead the field of 12 candidates while Alsobrook collected 45.

Mrs. Kellar is serving by appointment of the Board the county office of Beat Two member of the Board, pending the June 16 election.

Entered as Second Class matter at the Post Office at Bay St. Louis, Miss., under Act of March 3, 1879.

This is the time of year in which you should start wrapping up your vacation plans. You, your wife and your children must decide if you are going to Old Holocho Mountain or to Abysmal Beach.

Decision is necessary. It's futile and expensive for each member of the family to ride off in all directions. So let us hope there is unanimity in the family group and you decide to go to Abysmal Beach.

So the vacation spot is settled. And you are not like a friend of ours who took his customary two-weeks vacation last year. The family—consisting of father, mother and two children—should have been met by an ambulance on its return. They arrived home un-

happy, unlucky and mentally and physically untinged.

The father normally is a pleasant, almost placid, man. He is serene in his business and personal relationships. He loses his temper only when his wife is using the family car and manages to crash into a police car or handily remove the back wall of the attached garage.

Home from his vacation, and still in a semi-apoplectic state, this friend gave me some good advice, all firsthand, regarding vacations. They are:

Don't drive five thousand unnecessary miles to find a lake where the fishing is always "good." You can fall to catch as many fish 50 miles from home as you can 2,500 miles away. And it isn't as expensive and nerve-racking.

When your wife begins to snore gently, and your children start to howl, then it's time to pull up on the side of the road and take a rest. The miles ahead won't seem so long. Once in a while stop at a roadside picnic table and have a sandwich and a cup of coffee.

While you are there, use a few eye drops to refresh your eyes and to make you feel more alert. You might even hum a few bars of "Smoke Gets in Your Eyes."

Drive safely and cautiously wherever you go. If it's to your destination, you will be glad to get there. If you get home without mishap, you will be pleased, rested, happy and comfortable. Always remember that it takes as long to get home as it did to get there!

In short, you're an automobile operator. So take as good care of yourself as you do of your automobile.

# HOW THE SOUTHERN COMPANY HELPS TO PROVIDE A HUNDRED MILLION DOLLARS A YEAR FOR SOUTHERN GROWTH

The Expanding South Has A Big Appetite for Electric Power ... The Driving Force Behind Its New Industrial Might

DURING the past eight years demands for electricity in the four-state area served by The Southern Company System have more than doubled. It takes many things to satisfy these huge requirements: steel and concrete for power plants and dams, great turbo-generators, transmission lines to take the power where it's needed—and money. The system operating companies in Alabama, Georgia, Florida and Mississippi will spend more than a billion dollars in the decade 1952 through 1961 on new power facilities.

The Southern Company helps to finance the construction programs of its operating companies, and at the same time strengthens their capital structures. Southern does this by selling shares of its common stock to the public and investing the proceeds, together with retained earnings, in the operating companies, thus, as the security analyst puts it, "building up their equities."

During the past eight years, for example, when the system carried out a \$607 million construction program, \$178 million of this amount was made available by The Southern Company. Southern increased its investment in Alabama Power Company by \$77 million, Georgia Power Company by \$76 million, in Gulf Power Company by \$12 million, and in Mississippi Power Company by \$13 million. Southern's additional investment in these companies helped to build power plants and lines and substations—but it did more than that. By raising the equity portion of their capital structures it created a more favorable market for their bonds and preferred stocks.

Today the total capitalization of the Southern System is in excess of \$800 million, more than double that at the beginning of operations in the fall of 1947. And while the capital structure has expanded, it has become stronger, for an important feature of its growth has been the rise in equity from 23% at the end of 1947 to 32% at the end of 1955.

The construction needs of the system operating companies are estimated at nearly three-quarters of a billion dollars for the 1956-1961 period. The Southern Company will continue its important part in financing electrical expansion so essential to the further growth of the South.

# SOUTHERN SAMPLERS

By CHRISTOPHER BELL

Kids around here are thinking again of baseball; and wondering if this year, as before, they're going to have the problem of "absentee parents."

Last year they played to empty stands, for the most part—sort of discouraging for Junior. Can't for the life of me see why parents find it easy to donate money for equipment etc. and yet be so sparing of their time. After all, that's what the kids want, what they'll practice all week for—just the chance to show off before the folks.

So here's hoping when the plans to organize the Gulf Coast League go thru, Pop'll take Mom out to the ball game, 1956 style at the local sandlot on Carroll Ave. and Dunbar Ave.

CLIPBOARD: Sometimes the great stories are buried on the inside pages of today's bold newspapers, and we are happy to mention a great drama

which occurred in Charleston, S. C. only a few days ago.

Mrs. O. E. Rakoske was moving her lawn. As she pushed the mower along, she was suddenly bitten by a copperhead snake, which struck her on her foot.

Mrs. Rakoske was terrified as she screamed and tried to shake the snake loose from her foot by kicking. Her screams brought a young Boy Scout, who happened to be nearby, to the scene. His arrival, it turned out, saved her life.

Harold Murray, the scout, quickly identified the snake as a poisonous one, killed it with a shovel and warned Mrs. Rakoske that she should go to the hospital. Mrs. Rakoske did not think the snake was poisonous and said she would like to go inside, but

was talked out of it by the boy, who sent another youngster for her husband and an automobile. He immediately used a knife to apply a cross-cut over the bites (there had been two) and began to suck the wound, after applying a tourniquet.

The lad stayed with Mrs. Rakoske in the car as she was driven to the hospital, sucking the blood and venom from the wound and checking the tourniquet. When she arrived at the hospital, doctors told her that the bites would have proven fatal, had not she been treated quickly, and that young Murray's action in all probability had saved her life.

If there was ever a Boy Scout story, and an incident to prove the value of Scout training, this is one. We are glad to recount such a tale of genuine devotion to Scout duty, which reflects the highest credit on young Murray, and the Boy Scouts—the organization responsible for having taught him to identify snakes and take the proper action in the event of bites.—Sunday Mirror, Columbia, Mississippi.

## Dog dumped in bay By train only detailed

How often is one hit by a train, knocked fifteen feet in the air into the Bay of St. Louis and still joke around about it?

Last Monday morning one did just that—one named Spot, pet dog of 15-year-old Terry Ladner.

Spot really is the pet dog for the Ladner family, especially Terry and brothers Bobby and John. So he has a time keeping up with his trio of masters.

While on the trail of one of his masters, Spot roamed on to the train bridge. When he was some two hundred feet out, along came Eastbound No. 4 passenger train. The Azalea Spot froze and promptly was knocked off the

bridge by the slow moving train.

Terry's father, Lloyd Ladner, and Ed Kimmell, witnessed the incident from South Beach Blvd. and walked out to "find Spot's remains" when they saw him swimming around in the water, "joking with a 'woof, woof.'"

Only damage to Spot appeared to be a cut off tail.

The part Dalmation was rushed to a Gulfport animal hospital where he spent three days. He now is back sans tail, into the daily routine of being pet to three Ladners.

## BAPTISTS BELIEVE... THE CHURCH OF THE LIVING GOD

Baptists believe that a visible church is a congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the ordinances of Christ; governed by his laws; and exercising the gifts, rights, and privileges invested in them by his word; that its only proper officers are bishops or pastors, and deacons, whose qualifications, claims, and duties are defined in the New Testament.

Baptists believe that the church with all that pertains to it is strictly a New Testament institution.

The Baptist view of the constitution and polity of the church is that each church is a free, independent, and self-governing body. It is made up of regenerate men and women, believers in Christ, who have been immersed upon a profession of their faith in Him. It is based on and embodies the spiritual principles of Christianity. There is no way to classify believers in the church other than as spiritual equals.

The pastor and deacons are not ecclesiastical superiors. They perform certain functions and discharge certain duties, but they are the servants of the church. The church is responsible directly to Christ within the limits of its own life. The church is the final authority on all debated

questions. But, in its decisions the church is directly responsible to Christ and must look to the New Testament as the law of Christianity by which it is to be governed.

Christ organized the church so that his followers would have a divine institution through which to co-operate in the work of preaching the gospel of repentance and remission of sins to all nations. The church is ideal for co-operation. In it the followers of Christ are joined together in an organization with divine sanction—a brotherhood of kindred spirits made one in Christ by the regenerating power of the Holy Spirit—for the purpose of making Christ known to the world.

Accepting the New Testament as the inspired revelation of Christ, a church must strive to follow its teachings and to observe its requirements in worship and unity of organization. Baptism and the Lord's Supper, the two divinely instituted ordinances, must be kept true to the New Testament pattern.

Baptists believe that to be a true New Testament church a local church organization must (1) require personal acceptance of Christ and scriptural baptism by immersion before membership, (2) be self-governing and democratic, (3) maintain its purity by making Christ supreme, (4) commit itself wholeheartedly to carrying the message of Christ to all the world.

# NOTICE OF INTENTION OF THE COMMISSION COUNCIL OF THE CITY OF BAY ST. LOUIS TO ISSUE BONDS IN THE AMOUNT OF \$50,000.00

The Board of Mayor and Commissioners then took up for consideration the matter of the issuance of Fifty Thousand Dollars (\$50,000) Street Improvement Bonds of the City of Bay St. Louis, and, following a discussion of the subject, Commissioner Glover offered and moved the adoption of the following resolution:

A resolution declaring the intention of the Board of Mayor and Commissioners of the City of Bay St. Louis, Mississippi, to issue negotiable bonds of the said city in the maximum amount of Fifty Thousand Dollars (\$50,000) to raise money for the purpose of paying the cost of constructing, improving and paving streets in said city.

WHEREAS, the Board of Mayor and Commissioners of the City of Bay St. Louis, Mississippi, having made due investigation, finds, determines and declares that it is necessary to construct, improve and pave streets in said City; that the estimated cost thereof is Fifty Thousand Dollars (\$50,000); and that there are at this time no funds available in the City Treasury of said City for the payment of such costs; and

WHEREAS, it is necessary and advisable and in the public interest that the sum of Fifty Thousand Dollars (\$50,000) required for the aforesaid purpose be obtained through issuance of bonds of said City as

hereinafter proposed; and WHEREAS, the Board of Mayor and Commissioners of said City does further find and declare that the assessed valuation of taxable property within said City of Bay St. Louis, according to the last completed assessment, is Four Million, Three Hundred Ninety-three Thousand, Three Hundred Thirty-four Dollars (\$4,393,334), and that the total general obligation bonded indebtedness of said City at this time is Forty-seven Thousand Dollars (\$47,000); and

WHEREAS, the amount of bonds hereinafter proposed to be issued, namely, Fifty Thousand Dollars (\$50,000), when added to the aforesaid outstanding indebtedness of said City, will not exceed ten per centum (10%) of the aforesaid assessed valuation of taxable property within said City; and

WHEREAS, the amount of bonds hereinafter proposed to be issued does not exceed Fifty Thousand Dollars (\$50,000) or five per centum (5%) of the aforesaid assessed valuation of taxable property within said City; and

WHEREAS, the City of Bay St. Louis has not, within a period of twelve (12) months from the date of this resolution, heretofore issued bonds without an election, under the provisions of Section 7, Chapter 493, Laws of Mississippi, 1950:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF MAYOR AND COMMISSIONERS OF THE CITY OF BAY ST. LOUIS, MISSISSIPPI, AS FOLLOWS:

SECTION 1. That the Board of Mayor and Commissioners of the City of Bay St. Louis, Mississippi, does hereby declare its intention to issue bonds of said City in the amount of Fifty Thousand Dollars (\$50,000) to raise money for the purpose of paying the cost of constructing, improving and paving streets in said City.

SECTION 2. That the issuance of the said bonds will be authorized at a meeting of the Board of Mayor and Commissioners of said city to be held at the City Hall in the City of Bay St. Louis, Mississippi, at the hour of 10 A.M., on Monday, the 2nd day of July, 1956; unless twenty per centum (20%) of the qualified electors of said City shall file a written protest against the issuance of said bonds on or before said date and hour.

SECTION 3. That notice be hereby given that a written protest against the issuance of said bonds may be filed with the City Clerk of the City of Bay St. Louis at or prior to the above named date and hour, and that if such protest be filed and he signed by twenty per centum (20%) of the qualified electors of said City, then an election on the question of the issuance of said bonds shall be called and held as is provided by law. If no such protest be filed the said bonds may be issued without an election on the question of the issuance of said bonds.

SECTION 4. That the City Clerk be and is hereby authorized and directed to cause this resolution to be published in The Sea Coast Echo, a newspaper of general circulation in the City of Bay St. Louis, and which is eligible under the provisions of Chapter 427, Laws of Mississippi, 1948, and that the said resolution be so published once a week for at least three consecutive weeks, the first publication to be made not less than twenty-one (21) days prior to the date above fixed for the issuance of said bonds and the last publication to be not more than seven (7) days prior to said date.

Commissioner Traub seconded the motion to adopt the foregoing resolution and, the question being put to a roll call vote, the result was as follows:

Commissioner Traub voted yea Commissioner Glover voted yea Mayor Scarffe voted yea

The motion having received the affirmative vote of all the members of the Board present, the Mayor declared the motion carried and the resolution adopted, this 4th day of June, 1956.

STATE OF MISSISSIPPI SS COUNTY OF HANCOCK

I, J. Cyril Glover, City Clerk within and for the City of Bay St. Louis, in Hancock County, Mississippi, do hereby certify that the foregoing constitutes a true and correct copy of proceedings had by the Board of Mayor and Commissioners of said City at a meeting thereof held on the 4th day of June, 1956, insofar as the same relate to the issuance of \$50,000 Street Improvement Bonds of said City.

I do further certify that, prior to the making of this certificate the said proceedings have been spread at length upon the per-

## Holy Name News

This coming Sunday St. Clare's Holy Name Society will hold its regular monthly communion. Since all Holy Name men understand the need today for inspirational leadership both outside of the Church and in the Church, a logical Communion Intention presents itself. In keeping, therefore, with the theme of the month we ought to ask all in attendance at the Holy Name Mass to remember in their prayers at Holy Communion the Communion Intention "Religious Vocations." The Communion will be at the 8:00 Mass.

father, Mr. Pierre Louis Sar-rat of Bay St. Louis and New Orleans. Her original bridal gown of white embroidered tulle over taffeta was fashioned with a low rounded neckline, applied in seed pearls and iridescent sequins, and short shirred sleeves. The billowing skirt swept into a cathedral train and a wreath of orange blossoms held her fingertip veil of illusion. She carried a formal bouquet of fleur d'amour.

The bride had as her matron of honor, her mother, who wore a long pink tulle model over taffeta. The bridesmaids included Misses Lois Rossbach, Dorothy Dee, and Patricia Murphy of New York City.

The junior bridesmaid was Miss Elizabeth Bordes of New Orleans. They wore pastel gowns of tulle in pink, blue, yellow and green with matching bandeaux in their hair, and carried matching cascade arrangements of dyed carnations.

Little Jean Martin of Fort Worth, Texas, wearing an identical dress as the matron of honors, served as flower girl. She carried a basket of rose petals which she scattered in the path of the bride.

## Engagement Is Announced

Mr. and Mrs. Earl Madison Buckley announce the engagement of their daughter, Phyllis Ann, to Doctor Ronald Lee Powell, son of Mr. and Mrs. R. Clarence Powell of Alexandria, Louisiana. The wedding will take place on June 23, at Our Lady of the Gulf Catholic Church.

## Perkins' one-hitter blanks St. Rose

Grady Perkins hurled one-hit ball while the Bay Juniors lashed out 12 singles in a 19-0 onslaught over the St. Rose de Lima Youth Center Sunday afternoon at St. Stanislaus Stadium. In the first game of the twin bill the Juniors dropped a 7-3 decision to the Kiln Bootleggers.

A sharp single in the second inning by the Youth Center's hurler, Anthony Gilbert, spoiled Perkins' no-hit bid. He allowed three walks and two other batters to reach first in the seven inning contest.

All of the game's 13 hits were singles.

After coasting with a 5-0 lead, the Juniors slammed out 7-run sorties in the fifth and sixth frames.

Donald Strong, the Junior's playing manager collected 3 safeties, two in the fifth, to lead the hitting parade.

In the opening tilt of the double-header, Junior Heitzmann again buffed the Bay Juniors, and twirled the Kiln Bootleggers to victory with a four-hitter.

A fatal five run first inning was the death blow to the Juniors as they were never able to gain the lead.

Christopher Bell started for the Bay nine and after two singles, three walks and a hit batter was relieved in the initial inning by Donald Strong, who completed the game.

Bob Lyons collected 3 bingles and tallied twice to be the shining hero for the bootleggers.

## On the "FIRST STRING" now...

Since the first big "strike" found the Tinsley oil field less than 17 years ago, the oil and gas industry has earned a place on Mississippi's "first string" industrial team. Like any rookie bent on success, this young industry has put a lot into its upward struggle... more than one billion dollars. It continues to "hustle," boosting Mississippi's industrial "batting average" by more than \$100 million annually in payrolls, taxes, local purchases, direct lease and royalty payments to Mississippians.

A true "team player," Mississippi's oil and gas industry is carrying its fair share of the tax load at both county and state levels. Today's "standings" show only the two mighty oldsters - agriculture and timber - ahead of oil and gas. The rookie has made the "first string" now... and has a great potential for further growth. With a continued fair shake from fans and umpires, the oil and gas industry will continue to increase the economic "batting power" of Mississippi's industrial team.

## Larry Scharff Wins Scholarship

Larry Scharff, who will arrive in Bay St. Louis, June 9th, for a brief stay with his parents, Mr. and Mrs. Joseph Scharff, returns from his junior year at the Medill School of Journalism of Northwestern University, Evanston, Ill., loaded with new honors.

Larry, whose career at Northwestern has been a distinguished one, was called for Peris, Senior Mens Honorary Fraternity and was the recipient of the Interfraternity Scholarship, chosen for outstanding contributions to campus activities while maintaining a high scholarship average.

One of his outstanding achievements this year was the job he did as chairman of promotion for Waa-Mu, the University's annual spring musical review, reputed to be the largest undergraduate entertainment event in the United States. He will be in charge of Public Relations next year for the Waa-Mu Revue, and will be on the executive board of the organization.

Still another honor was Larry's appointment as Chairman of the Student Governing Board, Publications Committee, which selects final student candidates for the Student Faculty Board of Publications; the body supervising student publications.

After a visit with his parents Larry will return to Evanston, where he will attend the Television Institute. He is majoring in Television and Radio Journalism. While there he will serve as Co-rush Chairman for Phi Epsilon Pi Fraternity.

## Parties Honor

### Miss Buckley

Among the pre-nuptial festivities extended Miss Phyllis Ann Buckley, daughter of Mr. and Mrs. Earl M. Buckley, and a bride-elect of this month were two parties in New Orleans last weekend.

The many lovely gifts were presented to the honoree in a novel manner, being concealed in a miniature kitchen stove.

On Sunday evening, Dr. and Mrs. J. Henry LaRose, and their daughter, Marian, entertained at their home on Audubon street at cocktails for Miss Buckley and Dr. Powell. Profusions of bridal white flowers were used in the home, and white flowers and greenery in the playroom where the cocktails were served.
